Most mornings I get up at half past five.
Then I go into the bathroom.
After breakfast I hurry to catch the school bus.
School starts at 9 o’clock.
Sometimes my mother takes me in the car.
I don’t like school much.
But the pupils in my class are very nice.
They always help me when I need them.

On one or two afternoons Janet’s mum drives her to the TV company.
Janet plays a nice girl in the soap opera.
But she doesn’t get a lot of money for her TV job because she isn’t really famous.

On Sundays she doesn’t stay in bed.
She goes swimming before breakfast because she wants to stay fit.
It is sometimes hard for Janet but she enjoys her life.
